The OIC should

send with them the approved form C, completed by the MO, addressed to the Casualty Officer on duty, giving the Boxer's name, home address and telephone number if known, the venue, the nature of the illness or injury and any other relevant information. In cases of KO (H) or RSC(H), an indication of the number and severity of blows and the length of period of unconsciousness or amnesia (loss of memory), is important. For a Class 2 KO(H) or RSC(H), Form B must be completed and handed to the boxer with the instructions to consult his own Doctor within 24 hours.

22. Ensure that any boxer who suffers from concussion or amnesia after a boxing contest is sent to hospital for examination with the approved form C. If the OIC is in any doubt he must take this action immediately. No hospital will mind referrals if there is cause for concern. It is however, negligent not to refer a boxer who has a serious or potentially serious condition.

23. Ensure that an injured boxer is accompanied to his home if the MO advises this. In such cases, the boxer's coach, a Club Official or member of his family should be informed that if symptoms persist, he should seek urgent medical attention or be taken to hospital. If he has suffered a Class 1 KO or RSC (H) and appears well, he MUST be given a Form D, which advises on the care of a boxer who has received a head injury.

24. Ensure that the MO enters details of any boxer who receives an injury or suspension on the MOA's report form.

25. Ensure that details and the reasons of any boxer who fails the pre bout medical are entered on the MOA's report form.

26. Decide if a disqualified boxer may receive a prize

When a referee calls an MO into the ring to examine a boxer, only these two officials should be present. No seconds should be allowed into the ring or on the apron.

(6) No Contest: NC

If the boxer is fit to resume boxing before the count of ten is reached, the referee will use the command "box".
5. If a boxer is down as a result of a blow and the bout is continued after the count of eight, but the boxer falls again without having received a fresh blow, the referee will continue from the count of eight.
